

Aftercare Warranty - Used Vehicles

As a dealership, with every used vehicle brought from us, we include a **one-year Motorhome Aftercare Warranty as standard** to help save on back-to-base returns. This duration can be increased at an additional cost prior to vehicle collection. This additional cover is a precautionary measure; however, we hope it provides you with reassurance that Southdowns is dedicated to finding systems & solutions to help in the event of an issue.

With every used vehicle bought from us, we include a Motorhome & Campervan Aftercare Warranty as standard. The Motorhome Aftercare Warranty provided by Engineer Aftercare provides full AWS workshop cover across the UK. In the UK alone, there is 570 AWS-approved workshops that will help assist (with more than 450 mobile workshops, making life easier), as well as extended cover into Europe. This cover gives you an unlimited number of claims each year.

Aftercare Warranty - Used Vehicles

Southdowns Motorhome Centre understands that when you are on holiday or if you are a long-distance customer, back-to-base returns for warranty can be difficult. The Motorhome & Campervan Aftercare Warranty covers your mechanical and electrical components, appliances, and water ingress to main seals, meaning you can have approved repair work completed at your chosen AWS-approved workshop. This includes both your chassis & habitation cover.

To find an approved dealer, visit: www.approvedworkshops.co.uk

How it works:

Choose your AWS-approved workshop to complete the repair needed.

To make a claim, call Autoguard MBI **03432 271499** with the following information:

1. What is the specific issue or component failure? (The workshop can detail this)
2. What will it cost to repair or replace? (As provided by the workshop)
3. Pass these details onto the claims line, via the phone number above, for it to be approved.
4. European claims should be pre-approved and paid locally, The reimbursement will then be paid to you, the customer.

The team at Engineer Aftercare is available to contact 7 days a week for assistance & advice, on
